# USB-TEXP

USB Transfer Express Duplication System

# Hamilton™

E L E C T R O N I C S

- Copy data from one USB drive to up to 15 targets at once
- Collect data from up to 15 USB drives on to one drive
- Batch erase up to 15 USB drives at once

The Hamilton USB Transfer Express™ is the easiest way to copy large amounts of data from one USB drive to up to 15 targets at the same time. Transfer gigabytes of documents, audio and video at the touch of a button to any combination of USB flash media or hard drives. In addition to ease of use, you get the peace of mind of 100% data security and transfer speed faster than possible over a network.

USB 2.0 Compatible for Maximum Speed.
